

We Make Phoenix Better!

At the city of Phoenix, our mission is to provide excellent customer service. Although we have faced some challenging budget times over the past several years, our employees have continued to deliver quality services to our community and strive to make Phoenix better in everything we do. And, we know that you, the residents of Phoenix, expect that of us.

Phoenix is one of the best-run cities in the world because our employees are leaders in their professions with commitment, passion and a strong work ethic. The core values of our organization – what we call our “Vision and Values” – are at the root of everything we do.

- ▶ We are dedicated to serving our customers
- ▶ We value and respect diversity
- ▶ We work as a team
- ▶ We each do all we can
- ▶ We learn, change and improve
- ▶ We focus on results
- ▶ We work with integrity
- ▶ We make Phoenix better!

As we look to the future, we will continue to focus on what is best for our community and how we can continue to make Phoenix a better place to live, work and play!
